NUMBER 7

JOYCE ANN ALDERSON, new Maid of Albany with former Maid Lorene Baum, after coronation ceremonies.

JOYCE ANN ALDERSON NEW MAID OF ALBANY

Joyce Ann Alderson, a lithe lass with flashing green eyes, is the new Maid of Albany. Chosen from a field of eleven local lovelies, Joyce won the approval of judges Mayor Joseph Egenberger, Chief of Police Ralph Jensen, Chamber of Commerce President Jim Williams, March of Dimes Public Relations Director Dorothy Larimer and Miss Lee, a representative of Patricia Stevens School, Thursday night, May 23.

Dressed in a floor length blue taffeta gown, Joyce's hands trembled slightly, and her eyes filled with tears, as she accepted a bouquet of American Beauty roses and the crown she will wear for the next year as she officially represents Albany.

The Albany Theatre was the scene of the pageant, and as all the contestants were introduced, enthusiastic applause greeted each one. No one in the audience could anticipate the winner, each girl was, in her own way, so attractive and personable. There was tie for 2nd Runner-up; Janice Lee Franklin and Brenda Lucille Harwell each received a trophy. First Runner-up was blond Diana Lee Matzen.

Republican Women Hear Chaplin

MALCOLM CHAPLIN

Malcolm Champlin, prominent Oakland attorney, will be the speaker at the regular monthly meeting of the Albany Council of Republican Women, Monday evening, June 3, 8:00 p.m., in the teachers' lunchroom at Cornell School.

Hostess for the evening will be Una Roderick. All interested Republicans are invited to attend.

PTA Sponsors Shoe Drive

Repairable shoes for school children is the object of the Berkeley-Albany P. T. A. Council's "Operation Shoe Repair." Those wishing to donate shoes may leave them at their neighborhood public school.

After the shoes have been collected they will be sent to the California Youth Authority where apprentice shoemakers will repair them. The shoes are repaired for the cost of the materials only. Next fall the shoes will be issued to students who need them by officials of the public schools.

R. Dick Cleland, Supervisor, Child Welfare and Attendance, indicates there are Berkeley children absent from school because of the lack of proper clothing, especially shoes. He urges all Berkeleyans to help in the drive.

This shoe drive is a supplement to the Lion's Club Shoe Fund.

Cornell PTA, at their last general meeting subscribed twenty-five dollars toward materials for the shoe repair.

FIRE PLUGS

One of the most important bits of information a fireman has when notified of an alarm at any certain location is the address. He is well trained in the geography of his city but it is just about impossible to know the exact address of every home in the community so therefore he depends a great deal on the home requiring his attention to have a visible house number that can be read from the street.

Many Albany citizens put their address numbers on garage or front doors. If these are open the number cannot be seen as the address will be moved away from view. Another way addresses are covered is by growing vines or numbers just being removed when the home was painted then never put back. Some address numbers are small in size that are hard to find in many emergency cases. Some numbers are painted on curbs then are covered over by parked cars.

The best place for an address is near as possible to the front entrance if it is to the front of the house or if not, as close as possible to the walkway that leads to the front door if it is to the side. Figures should be large enough to read from the center of the street. The quicker responding emergency equipment finds the correct address the quicker the emergency can be handled.

Colt League Opens Season

Opening Day for the Albany Colt Baseball League will be Thursday, May 30th.

This League is for local boys 15 and 16 years of age. It consists of 2 teams, the Colts and the Mustangs, sponsored by two Albany merchants: Ellis Olson Mortuary and Bella Amo Restaurant.

The first game to be played will be the Albany Mustangs vs. the North Richmond Colt team. The Mustangs are managed by a long time Albany resident and former semi-pro baseball player, Al Viarengo. Viarengo is also a former Little League team manager. He will be assisted by coach Mario Lavagnino, also formerly associated with Albany Little League.

No On Bonds

Although 55% of the 3752 votes cast in the School Bond election favored the issue, the issue failed by 11%. 2065 votes for the bonds; 1687 against. 40.6 of the Albany registered voters turned out at the polls. The vote in precinct was: MacGregor, No—200 Yes—154; Cornell, No—350 Yes—333; Vista, No—254 Yes—308; Village No—14 Yes—291; High School No—439 Yes—404; Marin, No—430 Yes—375.

MISS DALY RETIRES FROM CORNELL SCHOOL

MISS RUTH DALY RETIRES — Cornell PTA honored the popular kindergarten teacher with a recent program and tea. She is shown above with Milton Gordon, Principal of Cornell School.

The perky little lady with twinkling blue eyes could not visibly be distinguished from a probationary new teacher; grandmothers and mothers had to pinch themselves into the reality of her twenty-five years of introducing 2000 children into elementary education.

This was Ruth Daly, who began her career at Cornell School during the war years, before the new elementary schools took the pressure off the increased influx of young students; and to her credit, she dealt with her kindergartners with the same patience and gentleness that has marked her as one of the most outstanding teachers in the East Bay.

Her kindergarten routine was reviewed with nostalgic humor, when Cornell PTA honored her as their guest Thursday afternoon, May 23, with a tea and "entertainment." The "entertainment," in the form of a skit, starred a former member of Miss Daly's class, Mrs. Frank Alessandro, whose daughter is presently enrolled as "second generation."

The skit, in tableau form, showed Mrs. Alessandro reminiscing the kindergarten program with two coffee-klatch friends, Mrs. Jack Murrow and current PTA president Mrs. Elton Gaunt. Two of Miss Daly's current crop, Alain Bachman and Denise Alessandro illustrated the songs sung through the years by "the little people." Joni Alessandro and Stacey Alessandro re-enacted the "Share and Tell" time introducing their kitten. From Albany High School, four former "graduates" of Miss Daly hopped, skipped and jumped through "A

SOLICITATION REQUESTS WILL BE STUDIED, DECIDED BY COUNCIL

The Albany City Council, at the regular meeting Monday night, April 27, decided to act as a screening body for groups or individuals applying for permits for door to door solicitation.

The subject of solicitation, tabled from a previous meeting for study, was introduced by Councilman George Hein, who felt it should be settled so that permits would not be "indiscriminately handed out." Vice-mayor Lewis Howell felt that request for solicitation should be preceded by "letter to the council and then action should be taken by the City Council — as it is one of the jobs of the governing body." Hein agreed. "I go along with the idea of a letter," he said, "then we can study the request and judge." The Council acted with unanimous approval on the issue.

A public hearing has been set for June 10 to appeal the decision of the Planning and Zoning Commission to permit construction of a four-plex on lots 60 and 61, 1041 Evelyn Avenue. The appeal, signed by 57 residents of the 1000 block on Evelyn, stated that it was a quiet residential area, the four-plex would cause a parking problem, the additional cars would be a hazard to children on the block, and the building would lessen property values. Following the public hearing, Council can uphold or reverse the action of the Planning and Zoning Commission.

In view of the defeat of SA 12 and SA 30, AB2827 i.e. State cannot pre-empt city legislation was endorsed by council action and City Attorney Larry D. Saler was requested to draw up the necessary Resolution and also notify representative legislators as soon as possible. League of California Cities has recommended the same action.

Councilman Joel Parker questioned, under the Good of the City, the reason why, in the last two meetings of the 30 Man Civic Building Committee, there was no quorum present. He said it "behoves the Council to check and see why appointees are not attending the meetings." Council agreed that something must be done to get this group functioning. It was decided to contact all appointees and ask for their cooperation and participation. An attendance report will also be sent to Council.

Adjournment was made in dedication of memorium to the country's dead.

Susan Potts Recipient Berkeley Savings Award

Susan Potts of Albany High School was the proud recipient of a \$100 check and an engraved bronze medallion, presented to her by Vern Streifford, manager of Berkeley Savings and Loan Association's North Berkeley office at 1870 Solano. The award, a joint presentation of Berkeley Savings and the California Savings and Loan League, was made at a Recognition Luncheon held at the Claremont Hotel Tuesday, May 21.

The daughter of Charles A. Potts of 1333 Washington Ave. in Albany, Susan has majored in mathematics and French at Albany, and has earned the highest academic standing in the graduating senior class. She belongs to the Altien, Hi-Y, Horizon and Honorary Clubs, is head majorette, and a member of G.A.A. and C.S.F. Susan will study business education at San Jose State, with the ultimate goal of teaching. She was chosen as Outstanding Student by Albany High principal, Harry J. Price.

YMCA Announces Caravan Trip

Berkeley and Albany teenagers today were urged to register with the YMCA's Caravan Club's summer trip to Bryce, Zion and Grand National parks.

The seven-day jaunt will take place June 17-23, according to Bruce Montgomery, Berkeley YMCA youth secretary.

"The tour to these three states will be under the qualified leadership of YMCA leaders," Montgomery said.

"We'll spend a day and night at each of the three national parks and also go to the bottom of the Grand Canyon."

Montgomery said arrangements have been worked out so that some teenagers can earn all or part of the tour's expenses.

Montgomery is handling registrations at the main Berkeley YMCA, Allston Way and Milvia St.

Berkeley Hills Nursery School Holds Rummage Sale

The annual Berkeley Hills Nursery School rummage sale will be held this year on Saturday and Sunday, June 1 and 2, from 9 to 5 at 1724 San Pablo Ave. in Berkeley.

It was decided to have a two day sale this year because the members of the school work so

diligently all year collecting such a tremendous quantity of excellent rummage that it was felt that just one day wasn't enough to display it. There will be a fresh supply the second day so Saturday shoppers will be urged to return for more merchandise on Sunday.

Proceeds from the sale will be used to benefit the non-profit cooperative school located in the Berkeley hills at 1161 Sterling Ave.

Registration Open For Elementary Summer School

Applications are now being received for enrollment in the Albany Elementary Summer School session which will start on Monday, July 8 and continue for a four week period, ending Friday, August 2. The purpose of the school is to give remedial instruction to Albany pupils in grades 1-7 in reading, arithmetic, English and spelling. Only pupils who are residents of Albany are eligible for enrollment.

Because the emphasis in the instructional program will be on remedial work, classes will be limited to approximately 20 students and will be held at Cornell School from 8:55 to 12:15 each day. Mrs. Elna Mae Olson, teacher

at Cornell School during the regular school year, will serve as principal of the summer elementary school. Mrs. Olson is well qualified to give leadership and direction to the remedial program having served as a primary school teacher in Albany for over 30 years and received professional recognition as President of the California Association for Child-

THANKS FOR WRITING!

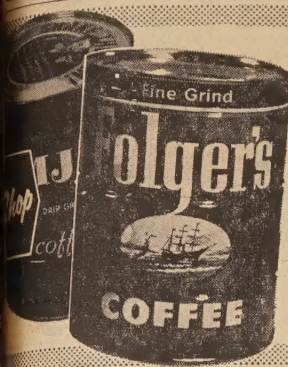

Editor: The Times:

My proud and sincere thanks
to the people of Albany for their
heartwarming response to the
American Cancer Society Drive.
The Albany door-to-door cam-
paign collected almost \$2000.00
which will be used for research,
education and service to cancer
victims and their families.
My special gratitude goes to
the area chairmen who worked
so well and so faithfully with
organizing and recruiting: Mrs.
Frank McKenna, Mrs. Gillum

Freels, Mrs. Max Ostrov, Mrs.
William Culley, Mrs. Eldon Wolf,
and Mr. Louis Tripodi. Each of
these dedicated workers joins
with me in thanking the more
than 300 captains and block-
workers who marched on the
drive.
Your generous help brings us
closer to the day when cancer
will be conquered.
Very sincerely

A NEW HIGH SPEED ELECTRONIC PUSH-BUTTON PRINTING INSTALLATION was announced today in Albany by Henry Morris, owner of Henry's Printing & Lithography at 925 Adams Street. This modern Champion offset press was built in Switzerland for Henry's by Consolidated International Equipment & Supply Company, and is the first of its kind. Along with new plate making and Friden composing equipment, this press will produce high quality printing at 33 1/3% faster than the world's fastest and is expected to increase the plant's output about 85%. Installation will take place in June of this year.

Shown here is Henry Morris with his first hand press, which he purchased for \$5.00 when he began his printing business in Albany in 1936. It is now on display at the Mechanics Bank in Albany.
